# Fruit Sensations®

Tree Top Fruit Sensations® contain 60% dried apples that have been super-infused with 10% fruit juice concentrate, sugar, and natural colors and flavors. This flavorful ready-to-eat snack delivers one fruit serving per 28 grams. Our Fruit Sensations® function similarly to raisins, but are for any company that wants to add a dramatic kick of flavor and color to any food system. Whatever your formulation needs are, Tree Top's technicians will work with you to meet your specific needs.
