

**Allergen Statement**

A Food Safety Allergen Control Policy is in place for all the “Big 9” allergens and their derivatives. Tree Top has policies in place for allergen ingredient controls. An ingredient Hazard Analysis has been conducted for all plant ingredients, process aids, flavors, acidulants, enzymes, food-grade lubricants, and food contact antimicrobial agents. All ingredients and finished products are prominently labeled and allergen-containing products are stored in segregated areas to avoid any cross-contamination.

The specific breakdown by facility is as follows:

<i><b>Facility Name</b></i>	<i><b>Location</b></i>	<i><b>Allergen(s) Utilized</b></i>
Ross	Selah, WA	None
Woodburn	Woodburn, OR	Wheat, Soy Lecithin
Oxnard	Oxnard, CA	None
Prosser	Prosser, WA	None
Selah	Selah, WA	Whey
Wenatchee	Wenatchee, WA	None

Sincerely,

Quality Services
